

QUEENSLAND'S FINEST WINES

8 May 2006

TO WHOM IT MAY CONCERN

I have known Graham Healy for 4 years. I have been involved with him both on a personal basis and in relation to services he has provided to the law partnership of which I am Chairman.

Graham, during that time, has always fulfilled his obligations and has been a pleasure to deal with. He has demonstrated to me that he is a person of integrity.

On a personal level he assisted me greatly during my recovery from a horrific car accident in 2005. Graham implemented a training programme which had a dramatic effect on my health.

I am happy to recommend Graham.

Yours faithfully
