

Brian Best & Graham Healy

To Whom it May Concern

I have personal known Graham Healy for over 10 years and during that time we have experienced many different dealings over business issues and personal issues .
May I say that Graham and I first met when we both worked for a Fitness marketing Firm he was a marketing manager and I was the strategic planner for that company.

Graham and I 'hit it off immediately' as we had a similar outlook on life and then formed a lifelong friendship.
Professionally my background is in Law ,Advertising, Business Development, and Business and Corporate management .

I am currently the CEO and Director of ABBA Australians Buying Back Australia group.
Graham and I have worked on many projects together and he is a person that will always seek the best Legal and Corporate advise on any matter, and I have had the opportunity to help him in this arena many times.
Currently we are working on a project involving business connections in Malaysia.

I find Graham and his wife Petrina to be extremely loyal people and of impeccable integrity, Graham is the 'big picture' person and Petrina his beautiful wife, is the 'finance and detail person' of their partnership and this combination works well in my observations.

I sincerely support Graham and Petrina in any of their future ventures and believe they are a winning combination , I look forward to a continued long term relationship with them both and know that they will be successful in anything they put their hand to and both have my continued support.

yours faithfully ,

Brian Best
