

To whom it may Concern

Regarding Sponsorship funding , I have delegated Graham Herbert Healy as my 'Trustee' with all sponsorship funding both 'past' and 'Potential Future' (possibly Auckland sep 2006) in respect to the ISDA International self-defence Association..

In that Graham is my representative and 'full authority' has been given to him to disperse any funding as he deems fit.

The releasing of 'sponsorship funds' is at his discretion and is done in the 'Best Interests' of promoting cashback through the sponsorship process on my behalf.

In delegating Graham as my 'trustee' I pass 'full ownership' of these funds to him to act in the best Interests of Cashback from a promotional point of view, as well as for the purposes of assisting the objectives of the 'non profit association'.

Ownership of these funds are passed from Edward Lancaster to Graham Healy of **(Healy's Health and Fitness ABN 50 711 604 560)** and then Dispersed through Graham's hands with the above 'objectives' in mind.

For the record **the Funds remain the property of Healy's Health and fitness acting on behalf of Edward Lancaster**, pending dispersion in line with the Promotional objectives of Cashback .

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'Edward Lancaster', with a large, sweeping flourish extending to the right.
